In-person learning to resume in August

Good afternoon,

I hope this email finds you and your family well. I just wanted to let you know that NHCS will be starting school with in-person learning for the 2020-21 school year. I am excited to see what God has planned for the school year. Our goal is to make the school year as “normal” as possible. We received guidelines from the state on Tuesday and are creating a back to school plan that we feel will be in the best interest of our students and families. Once the school board has approved the plan, I will share the information with you. Stay tuned....

If you have any questions, comments, or concerns PLEASE feel free to contact me.

Thanks,

Grace Malekovic
