

8/26/2020

Dear Parent/Guardian,

New Horizon Christian School has received notification from the local county health department that your child is on quarantine. Your child will not be able to return to school until we receive documentation from the health department or medical professional (MD, NP or PA) that they are cleared to return to school. Every health department and medical professional handles this differently, so I would encourage you to ask your local health department or medical professional for the guidelines they are currently following. If you have any questions, feel free to contact me at school.

Sincerely,

Grace Malekovic  
Administrator
