NEW HORIZON CHRISTIAN SCHOOL

FAMILY HANDBOOK

Revised 2020

Purpose and Organization

The purpose and organization of New Horizon Christian School is to provide children a Spiritual Foundation through the study of God's Word and an excellent education through academic study. Each child will be challenged to expand his/her horizon and, like Jesus, grow in wisdom and stature, and in favor with God and men.

NHCS is organized as a not-for-profit Christian school and is a ministry of Greenview Christian Church. It is operated under the authority of the Lord Jesus Christ, who has been given all authority in heaven and on earth. Biblically, this authority is placed in the hands of the leadership of the local congregation. Therefore, NHCS operates under the rule of the Greenview Christian Church Elders. The Church Elders have delegated responsibility to make and enforce policies to the School Board. The School Board is made up of Christian men and women representing congregations of several area Christian churches.

NHCS is a ministry of Greenview Christian Church and other churches in the area who support the school through financial support and by sending students to enroll in the school.

Philosophy of Education

- We believe God to be the Creator of all things.
- We believe Jesus to be the Son of God who gave His life for the redemption of sinful man.
- We believe the Holy Spirit to be the divine Counselor sent by God to convict sinners and guide Christians on their journey with Jesus as He dwells within the Christian's heart.
- We believe the Church is the body of Christ on earth empowered by the Holy Spirit and exists to bring lost people to know Jesus as Savior and Lord.
- We believe the Bible to be the inerrant Word of God and the guide for our lives.
- We practice an educational process that puts the Bible at the center of all learning. Our goal is to guide the children in the growth and development of their God-given abilities through daily fellowship with Him, through His Word, and through prayer.
- We will strive to provide a complete academic program that encourages the development of basic skills and critical thinking.

- We will teach our American heritage and create awareness of problems facing our community and world, along with the Christian's responsibility to respond to such problems.
- We want to prepare our students to be active servants of Christ wherever they are.

Curriculum

New Horizon Christian School uses A-Beka, Zaner Bloser, McMillan, Praise Him, BJU, and Positive Action for curriculum. Enrichment and supplementary materials may come from other publishers. Bible is taught five days a week.

Admittance

New Horizon Christian School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic or other school-administration programs.

Transfer Students

Students who transfer into NHCS must show proof of satisfactory completion of the previous grade. Those who request admittance to NHCS after the school year has started will be placed in the same grade level as they were in while attending the school they transfer from.

Physical and Eye Examinations

All students entering Kindergarten are to have a physical and an eye exam by the first day of school and dated within one year of the required date.

All students participating in sports are required to have a physical prior to the first practice during the sports season.

Grade Reports

Mid-term and quarterly reports are sent home during the school year. A parent/ guardian signature is required before the mid-term or quarterly report is returned to the teacher. Questions or comments are welcome concerning your child's grades. Classroom grades are updated weekly on RenWeb.

Grading Scale grades first-eighth:

100 – 92	A – 4 points	S – Satisfactory
91 – 84	B – 3 points	N – Needs Improvement
83 – 76	C – 2 points	U – Unsatisfactory
75 – 68	D – 1 point	
67 & below	F – 0 points	

Promotion, Retention, and Graduation

Each student will be individually evaluated according to the following guidelines:

1. Final GPA (Grade Point Average) of 1.5 in core curriculum areas (Math, Language Arts, Social Studies, Science and Health) in grades 1-4.
2. Final GPA of 1.5 or above in grades 5-8 in all areas of study.

If a student does not meet the above requirements, teachers may recommend that the student be retained after evaluation of their progress. Students will be promoted or retained based on a joint evaluation of their progress by their teacher, the School Administrator, and the NHCS School Board.

In order to graduate from the eighth grade, students must meet all of the above minimum requirements and pass a unit of study on the Federal and State Constitution.

Honor roll

Students enrolled in grades 3-8, with a quarterly or annual grade point average (GPA) of 3.5 will be placed on the Honor Roll. Students with a GPA of 3.75 or above will be placed on the High Honor Roll.

Attendance

Regular attendance is required of all students. If for any reason the student is to be absent or tardy it is the responsibility of the parent/guardian to contact the office by 9:30 a.m. each day. The school office opens at 7:45 a.m. and the phone number is 533-6910. Messages can be left 24 hours a day 7 days a week. More than 30 absences in one school year may place the student's promotion in jeopardy.

Lunch time is the guideline for calculating half-day absences. Students will be counted absent if signed out before 9:00 a.m. or present a full day if at school by 9:00 a.m. Students will be counted present a full day if signed out at 2:45 p.m. or later.

Excused absences may include student illness, a doctor, dentist, or optometrist appointment, and death in the family. Days granted for completion of make-up work are equal to the number of days missed. Students who miss 3 or more consecutive days must have a doctor's excuse upon returning to school. (

Unexcused absences are defined as any absences not listed above. Students are required to complete the work they missed and turn it in when they return or it will be considered late. At the teacher's discretion, this work may or may not be given a grade.

Planned Absences, such as vacations, are discouraged but in the event of such an absence please notify the office and affected teachers as soon as possible, so school work can be prepared. Students are required to turn in all missed assignments upon returning to school.

Tardiness

Students are to be in the building and ready to start the day by 8:15 a.m. everyday. Any student arriving after 8:15 must be signed in by the parent/guardian in the school office. Coming in late not only disrupts instruction but the child misses important class time. Student absences and tardies or recorded on the student's report card. Excessive tardies, defined as more than 5 per quarter, will require a conference with parents and the administrator.

(When a student arrives late to school, we also ask that you arrive at Door B, call the office to let us know you have arrived, we will take temperatures, and we will then escort the student to class.)

No tuition or SACC refunds will be made in regard to absences or tardiness.

Illness

For the welfare of your child and others in the school, all children who are ill must be kept at home. Children are to be fever free for 24 hours **without the use of fever reducing medication** before returning to school. If the student is absent due to vomiting and/or diarrhea, they are to be free of being sick for 24 hours before returning to school.

(Students with a temperature and COVID-19 symptoms will not be allowed to return to school until they are symptom free without fever reducing medication for 72 hours. If a doctor sees your child and decides they are cleared to return to school, they may return with a signed and dated doctor's note before the 72 hour time period.)

If a child is to receive any prescription medication during the school day, the parent or guardian must complete an Authorization of Medication form. This form is available in the school office and requires a physician's signature and dosage instructions before any medication can be dispensed. Medications must be in the original pharmacy container with the child's name and dosage. If your child requires medication during school hours and a signed authorization is not on file in the school office, it will be necessary for the parent or guardian to personally administer the medication to the child. School staff will not be expected to carry out these duties without proper authorization and instructions.

Parents or authorized emergency contact will be called to pick up the student in the event he or she becomes ill during the school day. Any student with a communicable disease, for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability. Students with communicable diseases for which immunization is not available shall also be excluded from school during recognized periods of communicability. Parents are requested to report any contagious illness to the school immediately for the protection of the other children.

Lice Policy

Students who are found to have head or body lice shall be excluded from school as soon as reasonably practicable. Students who have been excluded due to head/body lice will not be readmitted until all evidence of nits, either dead or alive are gone.

Pick-up and Transportation

Students will be released only to those whom the parent/guardian has given such permission. A Pick-up Authorization form will be completed for each student designating those who are authorized to pick up the student. An identification number is issued to each NHCS K-8 family. Numbers must be visible to school staff when driving through the pickup line. Written notification is required if someone other than the parent, guardian, or regular pick-up person is picking up the student. Students who have not been picked up by 3:30 p.m. will be sent to SACC. Charges will apply accordingly for students who are sent to SACC.

Siblings of students who are participating in extracurricular activities are not permitted to stay for practice.

School visitors

We welcome parents/guardians and visitors to our school but all people entering the school must register in the office. For security purposes, all visitors during a school day are to ring the bell and wait to be admitted to the building. After being buzzed in, everyone is required to sign in/out with the main office.

(Meetings will take place virtually when possible. If meetings have to happen face to face, all people entering the building will have their temperature taken before entering the building. Visitors will be kept away from the student population if at all possible.)

Please schedule appointments for conferences with teachers after school hours. If you would like to observe your child's classroom, prior arrangements are required by contacting the teacher or school principal. Your cooperation is appreciated and is conducive to a safe educational environment for our children.

Calls to staff and students will not be transferred to the classroom nor will staff and students be called to the phone for any reason during regular school hours.

Volunteers

We are excited to have volunteers who want to be an active part of our school. Individuals who are prayerfully considering volunteering are required to complete a background request form prior to starting. Volunteers must enter through the school office and sign in before reporting to the designated classroom. Volunteers must then sign out in the office and exit the building via the main door following the completion of the allotted time.

Home-school relationship policy/Grievance procedure

If the home and school are both Christ-led this will ensure your children are receiving the best education possible. However, there may be times where differences of opinion occur. As Matthew 15:18 instructs us to go to our brother or sister and address them when there is a problem, let us follow this example. If an issue arises between you and a teacher, staff member or administrator, please first attempt to work toward a solution by speaking with that individual.

If a resolution is not formed, the following steps may be carried out:

If your grievance is with a teacher or staff member:

1. Complete a grievance form and submit it to the administrator. The administrator will address the issue and make every effort to remedy the situation, meanwhile passing the grievance form along to the Personnel Committee Chairperson of the school board.

2. If a resolution was not met after efforts are made by the administrator, the Personnel Committee Chairperson will address the issue and make every effort to remedy the situation.

3. If a resolution is still not met, the situation will be brought before the school board.

If your grievance is with the administrator:

1. Complete a grievance form and submit it to any school board member. The form will be forwarded to the Personnel Committee Chairperson of the school board.
2. The Personnel Committee Chairperson will address the issue and make every effort to remedy the situation.
3. If a resolution is not met, the situation will be brought before the school board.

Grievance forms can be found in the “Forms” folder located in the hallway outside the school office.

Discipline Policy

"Listen to advice and accept instruction, and in the end you will be wise." Proverbs 19:20

Our definition of discipline is, "controlled behavior, to develop within an individual, responsibility for his/her actions, in accordance to socially accepted conduct." According to Proverbs, a child is to be *"trained in the way he should go."* Therefore, we are not only concerned with socially acceptable conduct, but especially in helping our students conform to the will of God. We desire our students to become disciplined individuals, prepared to live acceptably in the sight of both God and man.

Classroom Management and Discipline

Classroom discipline is the responsibility of the teacher. At the beginning of the school year the teacher will present classroom expectations and possible consequences to the parents and students. 3. Documentation of the expulsion shall be placed in the student's permanent record.

Bullying Policy

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. It is our policy that bullying, intimidation, and harassment shall not be permitted and will be considered grounds for level III disciplinary action and applies to each of the following situations:

- While in school, on school property, or at any school-sponsored event/activity
- Through transmission of information from a school computer, school computer network, or similar electronic school equal
- Through transmission of information from a computer/electronic device that is accessed at a non-school related location, if the bullying causes a substantial disruption to the educational process or orderly operation of the school. This only applies when a teacher or administrator receives a report that bullying through this means has occurred. Staff members will not monitor non-school related activity or functions.

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student(s) that has been or can be reasonably predicted to have the effect of one or more of the following:

- Placing the student(s) in reasonable fear of harm to the student's person/property
- Causing a detrimental effect on the student's physical or mental health

- Interfering with the student’s academic performance or ability to participate in or benefit from school activities or privileges.

Cyber-bullying is defined as bullying through the use of technology or any electronic communication, including but not limited to: signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or part by wire, radio, electromagnetic system, photo system, email, instant message, webpage, blog, any social media outlet. Cyber-bullying also includes the distribution by electronic means to more than one person or a posting that may be accessed by one or more persons.

Students who are victims of bullying, intimidation, or harassment as stated above, at any time, by anyone, are encouraged to notify any school employee who in turn will report the alleged incident to the school administrator. All reports will be investigated by the school administrator. When there is evidence of a violation, the administrator will take appropriate action as described under level III disciplinary options.

Girlfriend/boyfriend policy

Public Display of Affection (PDA) (physical contact, kissing, handholding, etc.) will not be tolerated during school or school functions.

Dress code

Dress is very much a matter of personal interpretation for all of us. It is also a matter which is best enforced by the home rather than the school. In order to fulfill the purpose of the school, and serve as an extension of the Christian home, we must insist that our students “*dress modestly, with decency and propriety*” (1 Timothy 2:9 NIV). In choosing a wardrobe for your child, we ask that you consider the following:

- Modesty and decency must prevail at all times in the dress of every student. Christian judgment must be our guide. Use discretion and avoid extremes.
- Words will be allowed on shirts for the 2019/2020 school year. Any clothing deemed rude, offensive, with innuendos/double meaning (could be construed in an inappropriate way), **texting acronyms (not allowed)**, or otherwise deemed inappropriate for the Christian school environment will not be acceptable.
- All shirts, tops, blouses, and dresses must have sleeves. Cold shoulder, halter, tube, tank tops are not permitted. Spaghetti straps, bare midriffs, sheer/see through, or low cut neckline are also prohibited. All tops should be long enough to cover the midriff in front and back when sitting or bending over.
- No tight tops or pants that result in an indecent or immodest appearance should be worn.
- No ripped, torn, or threadbare jeans. Writing on the seat of pants is not acceptable.
- Shorts may be no more than 3 inches above the knee. Skirts and dresses are to be knee length or below.
- All hats, caps, and sunglasses must be removed before entering the building.

- Due to the permanent nature of tattoos they are strongly discouraged. Indecent or inappropriate tattoos will be dealt with on a one to one basis by the school administrator.
- Students should practice good personal hygiene.
- Artificial nails (press on and acrylic, etc.) are not permitted.
- Jewelry (i.e. earrings, necklaces, rings, etc.) should be worn in moderation and in good taste. Any piercing or jewelry that becomes unsafe and interferes with the educational environment, will be addressed by the teacher and/or administrator. The student may then be asked to remove it.
- Hairstyles are to be neat, clean, moderate, and in good taste.
- Shoes must be worn at all times for the health and safety of each child. Flip flops and sandals are discouraged. Tennis shoes are required for P.E.
- Mask must be worn when advised to do so

Students may be asked to wear clothing inside our or wear another shirt to cover the words/pictures the remainder of the school day

When in doubt, ask questions concerning appropriate attire before wearing it. Parents of children in violation of the NHCS dress policy may be asked to bring proper clothing to school or pick-up their child. The NHCS Board and Staff ask that at all school functions both on and off school property, please set an example by honoring the Lord with your personal choice of attire.

*Exceptions to the dress code will only be considered for sporting activities with the prior approval of the School Administrator and the School Board.

School closing or early dismissal due to inclement weather

Should it become necessary to close school or dismiss early due to inclement weather, parents will be notified as soon as possible through radio and television stations, social media, and/or school reach:

KMOX 5 TV	WJBD Radio	WBGL Radio	WILY Radio
FOX 2 TV	WMIX Radio	WSIU Radio	WIBV Radio

It is virtually impossible to personally contact each family other than through the above mentioned means of communication. Please check the phone any time messages are left from NHCS.

Communication

NHCS has moved to communicating primarily through email, school website, and Facebook. Newsletters, calendars, or other information is primarily dispersed electronically.

Parties and party invitations

Each class is allowed in-school parties (holidays). These are planned in cooperation with the classroom teacher with approval from the School Administrator.

It is the policy of this school to avoid any decoration, snacks, customs, costumes, or events related to Halloween, Santa Claus, or the Easter Bunny.

Birthday parties are not held at school but birthday treats are encouraged to celebrate the student's special day. Party invitations for out-of-school parties may be given to the teacher to distribute in school to any of the following options:

1. All students in class
2. A boy may ask all boys in the class
3. A girl may ask all girls in the class

*Parents are asked to consider the impact of picking up "some" children for a party after school and not others.

Party and birthday treats must be prepackaged purchased-not homemade. Please contact the classroom teacher before sending any treats to avoid food allergy reactions.

School property

Students must return non-consumable school property (reusable classroom books, library books, CD's, sports equipment AND uniforms etc.) in good condition. Parents will be responsible for making restitution for lost, stolen, or damaged supplies, equipment, and school furniture.

Extra-curricular participation policy

To be eligible to participate in the sports program a student must maintain a grade point average of 76% or above calculated on each subject that appears on the report card. A letter grade of D or F in any subject will immediately disqualify the student. Should a student be in violation of the grade requirement, the teacher will notify the student and coach of the current grade average. Beginning on the day the student receives notice of the violation, the student will not be allowed to participate in any extracurricular sports activity, including practices, for seven (7) calendar days or longer, until he/she has regained the required grade averages. Grade averages will be assessed weekly by the teacher(s) on any student who is in violation.

Upon receipt of a 2nd detention for either conduct or missing assignments, they will not be allowed to participate in any extracurricular activities, including practices, beginning on the day the disciplinary action was received and continuing for a total of seven (7) calendar days. If the child receives three disciplinary actions for conduct and/or is ineligible because of grades, the student will not be allowed to participate in any extracurricular sports activity for the remainder of the season.

No student will be allowed to begin practice or participate in any extracurricular sports program until proof of insurance and a sports physical is on file in the school office.

Students are not permitted to participate in any extracurricular activities, including sports practices, on days they are absent from school. Students must attend ½ day to be eligible to participate in practice or any event for that day.

Students who are home schooled are not eligible to participate in SIJHSAA events. Student participating in an SIJHSAA event must be a full time student enrolled in that member school. Home schooled students 5th grade and below may participate in sports not connected to SIJHSAA.

All Practices are closed to spectators, visitors, and family unless previous approval has been acquired through the administrator.

Special note to Parents and Guardians:

There is a serious concern about young children being unsupervised during sporting and school events. Parents and guardians are responsible for their children during sporting events, extra school activities, and programs and are required to keep them with them at all times. Children will be permitted to leave the gym only between quarters, at half time, or between games.

Students are not to go upstairs or run throughout the building during any sporting or school activities.

Sportsmanship requirements

Players and fans should attend sporting events with great enthusiasm. However, at no time should there be any name-calling, booing, or degrading opposing team players and referees. Sportsmanship is defined as the following:

1. A demonstration of generosity and genuine concern for others. It is a concrete measure of the understanding and commitment to fair play, ethical behavior, and integrity.
2. It is a blending of cheers for “your team” and applause for the “opponents”, observing the letter and spirit of the rules, and showing consideration for others.
3. Sportsmanship is respect, both for others and one’s self.
4. For a coach, it might be accepting a “questionable” call without protest.
5. For the athlete, sportsmanship may be extending a helping hand to an opponent who is down.
6. For the spectator, sportsmanship might be cheering for his team when it loses, and applauding the opponent when it wins.

Lunches

Students must bring their lunch from home. There are microwaves available for quickly warming lunches. Milk may be purchased as a beverage for school lunches. Milk cost 45 cents to purchase. Sodas and iced tea are not permitted as a beverage for school lunches.

Lunch and recess period is 40 minutes. This limits the time for students to use the microwaves. Food should not take more than three (3) minutes to heat. Please refrain from sending lunches that require more time or those things that require special heating procedures. Do not send foods that require multiple cooking steps for lunch. Do not send food in glass containers.

At least a twenty-four (24) hour prior approval by the school administrator is required in the event a parent or guardian would like to provide lunch for a student’s classroom to celebrate a special occasion. Be mindful of those who have severe food allergies.

NHCS does not provide lunches for students on a regular basis.

Field Trips

Field trips are a school event. The teachers are responsible for planning field trips that support academic learning, culture, and offer enjoyment for the students. All students are expected to follow school rules and dress code. Parents/guardians may be asked to chaperone if and when needed. A chaperone is expected to assist the teacher. We ask that you respect the nature of a class field trip and refrain from bringing siblings unless absolutely necessary. A signed permission slip will be

required for all field trips. We will not contact parents for consent on the day of the trip, please return the permission slip prior to the scheduled field trip day.

Building lockdown

In the event our building goes into a lock down mode for any reason, no one will be admitted into the building until there is an all clear given by school administrator or law enforcement. Law enforcement will be contacted if and when warranted. Until they arrive to the building, the administrator is responsible for making decisions based on the circumstances and needs. Please refrain from calling the school. In the event parents need to be contacted, a school reach message will be sent.

Hard lockdown is triggered when an imminent threat or a potential danger is actually on the school grounds.

Soft lockdown could be something that might be occurring in the nearby communities or area.

Emergency information

It is imperative NHCS parents keep all emergency information completely current in the event of illness, injury, or emergency. Health issues of the student needs to be disclosed to the school administration and classroom teacher. It is virtually impossible to address health needs of a student if the school is not aware of any issues.

Payment of Tuition and Fees

Tuition and fees are to be paid through FACTS. Contact NHCS office for questions or more information. Nonpayment of tuition could result in the student being excluded from NHCS.

Insurance

Parents are required to present proof of insurance when enrolling student(s).

All students are covered by school accidental insurance while at school or on school sponsored activities. The cost is included in tuition fees.

Parent Teacher Fellowship (PTF)

The Parent Teacher Fellowship is a group of volunteer parents and teachers of New Horizon Christian School who are responsible for selecting fundraisers and determining the use of the proceeds for each school year. All activities of the PTF will be conducted within the NHCS policy.
