Dear New Horizon Family,

It is with great excitement that we want to share some great news with all of you. A couple months ago, the rundown building that is positioned just North of church/school became available through a tax auction. In faith, Greenview Christian Church submitted a sealed bid for that property to protect the corner from any unwanted businesses. Just two weeks ago we received word that we were the successful bidder. Our intention is to demolish the building and remove clutter from the property so that we will have a clean corner and potentially more parking for larger school events. This Saturday, March 27, we will be assembling a crew to clean out the building and start decluttering the property. If you are interested in helping, the work will begin at 7:30 AM. We will also be incurring some dumpster and landfill costs as the structure is removed. If you have an interest in financially assisting with the demolition costs, tax deductible donations may be made to Greenview Christian Church.

Another thread of good news is that we have decided to commit our Easter miracle offering this year to paving most of the high traffic areas in the parking lot. All of you have experienced dodging the multiple potholes on a daily basis to pick up or drop off your children. The additional paved areas will make this a much smoother transition. Adding concrete to these key areas will cost a little over \$30,000. We are confident that God will supply this need through His people. If you would like to help us with this endeavor as well, your donations would be welcome.

Both the church and the school continue to be blessed through the ministry partnership that is carried out on a daily basis. Thank you for entrusting your children to this ministry. We have seen and will continue to see boys and girls turn into young men and women who become life-long kingdom workers.

Thank you for your partnership,

The Elders of Greenview Christian Church
